February 19, 2021

Dear Tournament Coordinator:

Thank you for considering The West Point Golf Course for your next tournament. We appreciate the opportunity to serve you and your team. Our team takes great pride in offering great service to our patrons. During this time of Covid restrictions we are limited to a 72 player max capacity for outings and tournaments. This is a fluid situation and capacity limits may change as the conditions with the ongoing pandemic change. For planning purposes we are recommending to outing coordinators to limit participants to 72 players for all 2021 season events. If capacity limits are expanded then accommodations for higher capacities can be made up to 5 days prior to the event. We appreciate your patience and understanding as we work through this challenging time. Mr. Craig Arms shall be the point of contact for coordination up to and through your event.

Our available days for events are limited so we encourage you to reserve your date as soon as possible. We have created some attractive golf packages for the 2021 golf season. Enclosed please find our package pricing, details for your event, information about our facility, contract information, and our food and beverage selections.

The West Point Golf Course is a fantastic venue to hold events from 16 players up to 72 players currently. We take great pride in our organized and professional approach to tournament operations and look forward to giving you the West Point Golf Course experience.

We look forward to working with your group during the 2021 golf season. Please feel free to stop by and visit our facility prior to your event. We appreciate your support and look forward to hosting your event.

Sincerely,

Steven Whipple
