SUMMER RIDING CAMPS

Summer horseback riding camps are held Monday thru Friday, 9am - 3pm. Camp levels reflect age, experience, and ability. Our riding camps give children a hands-on learning experience that familiarizes them with basic safety, rules, and procedures. They'll learn how to lead, brush, tack up, and perform daily horse care. The beginner level includes learning how to control a horse at walk and trot. For those beyond beginner level, instruction will reflect existing skills and ability. Campers may bring food and drinks to store in our refrigerators. Please wear jeans and low-heeled shoes or boots. No shorts, capris, sandals, or sneakers allowed. Children are required to wear helmets while riding. Camps registration starts in March of the current year. Call for more details.
