Equipment Purchase Program

Enjoyed the equipment that you rented and wanted to purchase some of your own? ODR offers an equipment resale purchase program. We have partnered with some of the equipment manufacturers to offer our customers the ability to purchase the same or similar equipment that we rent.

How does it work?

Research the company and items you are interested in purchasing, send us model numbers, sizing, color options and we'll get a quote for you if the product is available for purchase through this program. Prior to purchasing, be 100% sure of model, size, fit, etc. since there is NO refund or return of any equipment once order is placed. No orders will be processed without payment in full.

NOTE: Some manufacturers require minimum quantity or dollar amounts for purchases. Some products may not be available through resale purchase program.

From Thayer Road:

Turn left onto Mills Road, then turn left onto Wilson Road. The Equipment Center will be located immediately on your left.

From Stony Lonesome:

Follow Stony Lonesome down the hill, turning right onto Mills Road (just after Michie Stadium). Turn Right onto Wilson Road. The Equipment Center will be located immediately on your left.
