A. Below is how you can get to and from each airport by public transit.

West Point – Newark: From the Harriman Train Station take the NJ Transit Main Line or Bergen Line to the Secaucus Junction Station Upper Level (aka Frank R Lautenberg Rail Station). From Secaucus, take the Northeast Corridor Line to Newark Liberty Airport stop. At the Newark Airport stop, take the AirTrain to the desired terminal.

Helpful Tips:

- Please try to arrive 15 minutes before departure time. Don't wait until the last minute and risk missing the bus.
- If you purchase a ticket and know you're not going to use the ticket please let us know so we know you are not coming and the space can be filled by a fellow cadet.
