West Point Youth Services does not carry supplemental insurance to pay medical costs in the event that child is injured while participating in our activities. Military dependents are authorized care from Keller Army Community Hospital or TRICARE. Those not authorized care from Keller, or parent(s)/guardian(s) who desire additional coverage, will need to make arrangements privately.

Due to the age of our youth and the belief in fostering independence, YS field trips do not require that youth are in direct line of sight of adults at all times. Youth are required to utilize the buddy system when on field trips and an adult will always be available at one previously determined location. If you have questions or concerns regarding this, please contact Youth Services Management at 845-938-0829/8889.
