

14 March 2022

MEMORANDUM FOR: Christopher Remillard, MWR Recreation Officer

SUBJECT: 2022 West Point Trout Stocking Notice

1. The planned distribution of trout stocking for the 2022 Trout Fishing Season is listed below. In regards to the beginning of trout season, trout season at West Point, for all trout in both brooks and streams as well as in lakes and ponds, begins on 01 April.
2. Private stocking in 2022 will repeat 2021 in numbers of total trout, each species, and areas stocked. State stocking in 2022 has changed with NYSDEC opting to stock less overall fish than in 2021 with less brown trout for Bull Pond, Round Pond, and Lusk Reservoir but more brook trout for Bull Pond.
3. Private stocking of brook trout, brown trout and rainbow trout will tentatively occur on March 29th and April 12th. State stocking of brook trout and brown trout will tentatively occur on April 1st. West Point Natural Resources will accept stocking volunteers once again in 2022. See below.
4. Channel catfish will be stocked in Mine Lake and Lake Frederick. Fathead minnows will be stocked in Lake Frederick and Round Pond as an additional forage base for game fish species. In 2021, fall stocking of tiger musky was suspended due to state hatchery shortages. This fall, stocking may be resumed.
5. Triploid grass carp will be stocked for weed control at Round Pond. Triploid grass carp are non-game fish species and as such may not be targeted and must be released immediately if caught.
6. In 2020 and 2021, West Point did not accept stocking volunteers due to Covid-19. In 2022, West Point will once again accept volunteers. Those interested should email Christopher Killough at Christopher.w.killough3.civ@army.mil. Response emails closer to stocking will confirm meeting time and place.

Please post this information at the Round Pond Bait Shop. This information will also be posted on the West Point iSportsman website. Questions should be directed to Christopher Killough, reachable by phone at (845) 938 – 2314 or email at Christopher.w.killough3.civ@army.mil.
