REMINDERS:

- **Enroll your children immediately upon arrival to West Point.** *It is not recommended that you delay enrolling your children when you transition to a new installation. Delayed enrollment could result in loss of credits and/or repeating a grade.*
- **Attendance Policies.** *State and district school policies may differ. Promptly follow district policies to ensure that qualified excused absences are excused. Establish a strong communication link with the school, this will enhance the education process.*
- **Special Education Transition.** *Ensure you transition with a current IEP to include educational evaluations and assessment results. Letters of introduction from teachers, therapists and other professionals that worked with your child would be beneficial.*
