

## Advancing military-connected students to a stronger future

## AP STEM Safety Net

The National Math and Science Initiative and [DoD STEM](#) is thrilled to bring Advanced Placement® courses to U.S. military-connected students through the STEM Safety Net Program! Using [VHS Learning, Inc.'s](#) platform, military-connected students can now enroll in AP STEM courses no matter where they live.

### 2022-23 AP CLASSES OFFERINGS

- AP Biology
- AP Chemistry
- AP Physics 1
- AP Environmental Science
- AP English Language and Composition
- AP English Literature and Composition
- AP Calculus AB
- AP Statistics
- AP Computer Science Principles

#### FREE FOR STUDENTS

AP STEM courses taken through the **STEM Safety Net program** are free for military-connected students. The program provides structured AP courses for homeschool families or where advanced courses are not available through your student's school

#### 365 SUPPORT

Taught by qualified AP STEM teachers through the VHS Learning, Inc. platform, the program provides live one-on-one coaching, live student support study sessions led by course experts, and a designated program manager to help support your student throughout the year

#### TRANSCRIPTS

VHS Learning, Inc. is a fully accredited program that will provide official transcripts upon completion of courses
