Walt Disney World Theme Park Tickets (1 day to 10 day tickets)

If you are not eligible for the Military Promotional tickets, or you are traveling during the blocked out dates for the Military Promotional tickets, we have non-promotional "Theme Park Tickets" available. They are still discounted, and can be bought in 1 to 10 day durations.

Please be advised that prices are subject to fluctuation and cannot be quoted over the phone

To get an idea of your cost, see [Theme Park Ticket | Walt Disney World Resort for Disney pre-tax pricing](#) and then deduct 10% for one or two-day tickets, or 20% for longer tickets.

For example, if Disney is charging \$169 (before tax) for a 1 Day Magic Kingdom ticket on your selected date, our price will be about \$152 (multiply \$169 x 0.9).

These non-promotional tickets are discounted for service members, but do not require the service member or spouse to be using a ticket for themselves.

In addition to service members who qualify for the Military Promotional tickets (see above), these non-promotional tickets are available to veterans under the Purple Heart and Disabled Veteran Equal Access Act of 2018 and to DoD civilians (active and retired).

One and two-day tickets are approximately 10% cheaper than purchasing tickets directly from Disney. Three-day or longer tickets are approximately 20% cheaper. Our tickets are also tax-free which gives an extra layer of savings. Prices vary depending on the date of your visit.

These dated Theme Park Tickets do not require park reservations.

For one-day tickets, the visit date must be specified. If the ticket is a one-day base ticket, the park is also set at the time of purchase.
